Conditions of Carriage

- (1) All terms and conditions, liberties and exceptions of the Charter Party, dated as overleaf are herewith incorporated. If the date of the Charter Party is not specified, the relevant charter party is deemed to be the voyage charter party that regulates the carriage of the cargo in respect of which this Bill of Lading has been issued.
- (2) **General Paramount Clause**
The International Convention for the Unification of Certain Rules of Law relating to Bills of Lading signed at Brussels on 25 August 1924 ("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Contract. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation of the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments.
When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place, the Hague Rules as enacted in the country of destination apply compulsorily to this Contract.
The Protocol signed at Brussels on 21 December 1979 ("the SDR Protocol 1979") shall apply where the Hague-Visby Rules apply, whether mandatorily or by this Contract.
The Carrier shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging, or while the cargo is in the charge of another carrier, or with respect to deck cargo and live animals.
- (3) **General Average**
General Average shall be adjusted, stated and settled according to York-Antwerp Rules 2016 in London unless another place is agreed in the Charter Party. Cargo's contribution to General Average shall be paid to the Carrier even when such average is the result of a fault, neglect or error of the Master, Pilot or Crew.
- (4) **New Jason Clause**
In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the Carrier is not responsible, by statute, contract or otherwise, the cargo, shippers, consignees or the owners of the cargo shall contribute with the Carrier in General Average to the payment of any sacrifices, losses or expenses of a General Average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the cargo. If a salving vessel is owned or operated by the Carrier, salvage shall be paid for as fully as if the said salving vessel or vessels belonged to strangers. Such deposit as the Carrier, or its agents, may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the cargo, shippers, consignees or owners of the goods to the Carrier before delivery.
- (5) **Both-to-Blame Collision Clause**
If the Vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the Master, Mariner, Pilot or the servants of the Carrier in the navigation or in the management of the Vessel, the owners of the cargo carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of said cargo, paid or payable by the other or non-carrying vessel or her owners to the owners of said cargo and set-off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying Vessel or the Carrier.
The foregoing provisions shall also apply where the owners, operators or those in charge of any vessel or vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect of a collision or contact.
- (6) **International Group of P&I Clubs/BIMCO Himalaya Clause for Bills of Lading and Other Contracts 2014**
(a) For the purposes of this contract, the term "Servant" shall include the owners, managers, and operators of vessels (other than the Carrier); underlying carriers; stevedores and terminal operators; and any direct or indirect servant, agent, or subcontractor (including their own subcontractors), or any other party employed by or on behalf of the Carrier, or whose services or equipment have been used to perform this contract whether in direct contractual privity with the Carrier or not.
(b) It is hereby expressly agreed that no Servant shall in any circumstances whatsoever be under any liability whatsoever to the shipper, consignee, receiver, holder, or other party to this contract (hereinafter termed "Merchant") for any loss, damage or delay of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default on the Servant's part while acting in the course of or in connection with the performance of this contract.
(c) Without prejudice to the generality of the foregoing provisions in this clause, every exemption, limitation, condition and liberty contained herein (other than Art III Rule 8 of the Hague/Hague-Visby Rules if incorporated herein) and every right, exemption from liability, defence and immunity of whatsoever nature applicable to the carrier or to which the carrier is entitled hereunder including the right to enforce any jurisdiction or arbitration provision contained herein shall also be available and shall extend to every such Servant of the carrier, who shall be entitled to enforce the same against the Merchant.
(d) (i) The Merchant undertakes that no claim or allegation whether arising in contract, bailment, tort or otherwise shall be made against any Servant of the carrier which imposes or attempts to impose upon any of them or any vessel owned or chartered by any of them any liability whatsoever in connection with this contract whether or not arising out of negligence on the part of such Servant. The Servant shall also be entitled to enforce the foregoing covenant against the Merchant; and
(ii) The Merchant undertakes that if any such claim or allegation should nevertheless be made, it will indemnify the carrier against all consequences thereof.
(e) For the purpose of sub-paragraphs (a)-(d) of this clause the Carrier is or shall be deemed to be acting as agent or trustee on behalf of and for the benefit of all persons mentioned in sub-clause (a) above who are its Servant and all such persons shall to this extent be or be deemed to be parties to this contract.
- (7) **Law and Arbitration Clause**
The parties to this Bill of Lading agree that any dispute or difference between them that arises out of or in connection with this Bill of Lading shall be referred exclusively to arbitration in accordance with, and subject to the law specified in, the provisions of the Law and Arbitration Clause that is applicable to the Charter Party identified in Clause (1) hereof, which provisions are understood to apply to disputes between the parties to this Bill of Lading. Neither party to this Bill of Lading shall bring any proceedings other than in accordance with the said Law and Arbitration Clause against its contracting party or that party's servants, agents or sub-contractors as defined above in Clause (6) hereof save for purposes of obtaining security, compelling compliance with this Clause, or appealing or enforcing an award.
